Noah Basketball offers FREE! Noah Shooting Clinics to U.S. High Schools.

Clinics are approximately 90-min. in length and offer comprehensive shooting instruction, Noah research findings, shooting time on Noah, and each player receives a Noah Arc Plot.

Clinics are conducted in your gym with your players and parents. There is no obligation or expense when you host a Noah Shooting Clinic -- our goal is to improve shooting at all levels of the game, starting with your players!

Each parent in attendance at your Noah Shooting Clinic receives an entry to win a FREE! Noah Select for your school.
